undergrad news & notes

September 2017

It's officially RECRUITING season! Career Fairs begin on September 11 with the GT All Majors fair from 9:30 – 4:00 in the Campus Recreation Center (CRC) and MSE's Career Fair the same day from 4:00 – 8:00 pm in the Klaus Building Atrium area. Registration is required for the MSE Career Fair but is not required for the GT fair. Please plan ahead to bring several copies of your resume, your smartphone (if you have one), a notebook and pen/pencil. Once you've registered you will be able to view the companies that are attending the fair. If you are seeking an internship for next summer you should make a strong effort to attend one of these career fairs. If you are graduating this term and seeking employment you don't want to miss these opportunities. You'll get a chance to meet employers one-on-one and possibly form connections - but remember attending a career fair is only the first step of the job search process.

Shirley Manchester
Undergraduate Academic Advisor

Summer Classes Transfer Credit

If you've taken classes at another College this summer and would like to have the credits transferred to Tech you'll have to request for your transcript(s) to be sent to the GT Registrar office so your records can be updated. These classes will not factor into your GPA calculations but listed as transfer credits.

All MSE students, faculty, and staff are encouraged to attend.

Monday September 20, 11:00 - 11:50am in the Love 2nd Floor Atrium

What is CareerBuzz?

CareerBuzz is a GT recruitment and management system for current students, and alumni to access employment opportunities for Co-op, Internships and Permanent Placement as well as to attend the MSE Career Fair. To be able to view job postings you will need to create a Career Buzz account, visit CareerBuzz.
